

Proposed North Orange By-pass (Astill Drive to Mitchell Highway)

Second Community Forum Feedback Form

What are the factors that you see as important in determining which of the Ophir Road intersection design options should be the preferred one?

Please rank the proposed design options from 1 (most preferred) to 3 (least preferred) and explain why you have ranked them in that order.

Option 1 – Offset T intersection

Option 2 – Ophir Road Underpass

Option 3 - Roundabout

What other matters should Council consider when deciding which intersection option to construct?

What other issues should Council consider in relation to the remainder of the proposed By-pass?

Do you have any other comments in relation to the proposed North Orange By-pass?
